

PRIVACY STATEMENT.

Sciworth Inc., the developer of the MyDropBox Suite®, has created this statement in order to demonstrate the firm commitment to privacy of our customers. Since our company gathers information about MyDropBox users at the time of registration and paper submission, we provide this privacy statement to let you comprehend the terms and conditions associated with the collection of personal information.

MYDROPBOX PRIVACY PLEDGE.

1. The personal information MyDropBox system collects during the registration will only be utilized to facilitate the use of the MyDropBox services (system sign-in, paper submission, report release) and facilitate customer relations.
2. We will never contact you without your consent, and we will instantaneously cease any communications with you upon request.
3. Under no circumstance will MyDropBox sell, trade or rent your personal information to third parties.

REQUESTING PERSONAL INFORMATION.

MyDropBox requests personal information under the following two headings:

1. Price Quote and Trial Account requests
Personal information is requested for the following purposes:
 - a. To obtain complete contact information of the requestor for administration of his/her institution's pilot account.
 - b. To verify the authority of a requestor to register a pilot account on behalf of an academic institution.
 - c. To provide the requestor with the precise price quote.
 - d. To notify the requestor about the updates in MyDropBox services and promotional programs carried out by MyDropBox.
2. Profile Registration
Personal information is requested for the following purposes:
 - a. To verify the identity of a registrant and his/her relation to a specific academic institution.
 - b. To acquire the most complete contact information for administration of the registrant's account.

STUDENTS. As an integral part of the services it provides, MyDropBox collects personal information from students utilizing plagiarism prevention and auxiliary services in standalone and integrated editions of the MyDropBox Suite. Personal information of students is requested for access to MyDropBox's secure areas for the following purposes:

- a. To assign proper courses and assignments to a student account.
- b. To allow a student to submit papers to MyDropBox and to identify a user associated with any submitted document.
- c. To send a confirmation of a successful paper upload and allow a student view his/her MyDropBox Draft Reports.

MyDropBox Suite® is fully compliant with the Children's Online Privacy Protection Act of 1998 (COPPA). If you have any questions or concerns about the protection of your privacy when registering or corresponding with Sciworth Inc., please contact us. This Privacy Statement may be modified periodically. If there is an important change, we will indicate on our website that the Privacy Statement has changed and provide a link to the new Statement.
